CARBURETOR SYNCHRONISATION TESTER

123,24 EUR
Part no. 10007/1

CONNECTION FOR SYN. TESTER

47,45 EUR
Part no. 10008

CONNECTION FOR SYN. TESTER

installation on intake manifold
- can be permanently fixed
up to engine no.:
912 UL 4.404.045
912 ULS 4.426.475
914 UL 4.417.956

29,34 EUR
Part no. 10010

HOSE CLAMPIING PLIERS

for the synchronisation with
Part no. 10010

29,91 EUR
Part no. 10011

CABLE OILER FOR PUSH PULL CABLES

11,71 EUR
Part no. 10036

FLOAT LEVEL GAUGE

ROTAX 912, 914, 2-Takt (series)

16,76 EUR
Part no. 10474

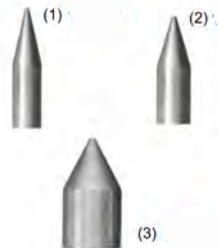

FITTING SLEEVE FOR O-RING

(1) for idle jet
(2) for idle mixture screw
(3) for mixing tube

Part no. 10220
Part no. 10221
Part no. 10222

12,12 EUR

TEST CONNECTOR FOR CARBURETOR

for the leak test of the carburetor for
usage with pressure-pump 10034

6,71 EUR
Artikel Nr. 10013

RADIATOR TESTER

TVU 138/1
incl. adaptor ROTAX KS98

191,25 EUR
Part no. 10034

ADAPTOR RADIATOR TESTER KS98

76,76 EUR
Part no. 10035

FREEZE PROTECTION

"GLYCOMAT"

15,56 EUR
Part no. 10033

PRESSURE LOSS TESTER

DRV 5 incl. Adaptor
and adaptor hose

238,81 EUR
Part no. 10031

SPRING CLAMP PLIERS

for self compensating of the cooling system

51,70 EUR
Part no. 10211

PRESSURE AND VACUUM PUMP

aluminium, switchable

276,96 EUR
Part no. 10030

ADAPTOR HOSE

for pressure loss tester

34,60 EUR
Part no. 10032

OIL PRESSURE TESTKIT

for the oil pressure measurement of:
- engine lubrication system
- hydr. governor

139,15 EUR
Part no. 10009

OIL FILTER CUTTER

90,00 EUR
Part no. 10096

STROBOSCOPE LAMP

for functional testing of the individual spark plugs

105,58 EUR
Part no. 10028

PROPELLER BALANCING SET

for dynamic balancing of the propeller
Use with PC/laptop.

3.599,14 EUR
Part no. 10437

CONTROL PANEL 912 i / 915 i (series)

for troubleshooting
for direct connection and operation without cell

1.052,66 EUR
Part no. 10899

HEXAGONAL 46 mm

for SK-Nut
freewheel housing / 1"

58,94 EUR
Part no. 10450

HEXAGONAL 41 mm

for SK-Nut
driving wheel gearbox / 3/4"

58,28 EUR
Artikel Nr. 10451

We are the authorised distributor of BRP-ROTAX GmbH & Co. KG for the following countries: Germany, Austria, The Netherlands, Liechtenstein, Switzerland, Bulgaria, Romania, Hungary, Denmark, Sweden, Norway and Finland. Our company can rely on a product experience, on which we are building steadily since 1986. Furthermore, we are an authorised maintenance organization in accordance with EASA-Part-145 (DE.145.0318), and one of the company BRP-ROTAX GmbH & Co. KG authorised overhaul facility for certified Rotax 4-stroke aircraft engines, as well as ROTAX 2- and 4- strokes UL aircraft engines.

We have a large stock of spare parts and ROTAX aircraft engines, and offer an exchange program for ROTAX aircraft engines and gearboxes. We have modern equipped workshop with own engine test bench. For required work outside of our location, we have a optimal equipped service truck available.

Maintenance courses over the entire range of ROTAX aircraft engines are held several times a year.

In case you have questions or a technical problem, we are at your entire disposal and will be gladly advise you on the phone - Phone no. +49 8039 9035-0.

Opening hours: Mo. - Fr. 08.00 - 17.00 o'clock
